It does my heart good to see real life change taking place through our 1½ year old church plant in Cardboard Landia! I am so pleased at the progress of this fledgling work which in such a short time has developed 6 Home Group Bible Studies. There are new people coming to faith who did not enter through the door of our building during a Sunday morning church service. Just like in the early church, the Word of God is spreading from house to house or we might say from open homes to open hearts. It is something wonderful to experience. People are enjoying Christian community and transparency as they are sharing hurts and then receiving healing in their hearts as they are being taught the Word of God.

In open discussions questions are being asked and answered as to how to apply the scriptural principals of Forgiveness to their personal life situations. Life is hard and everyone gets bruised and then turns around and bruises others. That evening we all shared our own stories of pain and struggles with forgiveness. Life can be complicated. Sometimes people are going through abusive domestic situations, relational breakups, problems with ex'es, estranged children, struggling with health problems. The people next door and around the world need Jesus. They need to be freed from their past in order to walk free in the present. As we prayed for one another to be healed, you could see their tears dripping down their faces. We only met for a few hours, but you could see expressions of hope and faith as they began to forgive those who had harmed them. The healing Balm of the Holy Spirit brings practical steps toward restoration and healing. Thank you for making it possible to bring healing and help to hurting communities.

Together we are Vida Internacional,

**Freedom Through
FORGIVENESS**

Our center in Oviedo, Dominican Republic has been targeted by destructive thieves who have stolen all the sound equipment, pulled wire from the building and stolen two pumps that provide water from the well for the people of the surrounding area. Please pray that the thieves will be caught and that God will restore what has been stolen. Thank you for your prayers and support.
