Daniel and Norma showered in gifts

Little Norma and Daniel were recently abandoned by their mother. Their father, in his early twenties, is trying to muster up the emotional support his children need. Thank God they are not alone. Norma's sponsor unaware of her child's family crisis sent a special designated offering for Norma, we were able to purchase a bunch of presents, showering her with gifts demonstrating that somebody cares. Pastors Luis Miguel, Lupita and myself came to their door, prayed for their family's needs and celebrated this special occasion. Norma knows that she is loved.

Little Morgan in Houston, Texas had a Bake Sale and then called family and friends to solicit them over the phone to raise money for Jessica, her sponsored friend in Mexico. After a successful Cookie Campaign, enterprising Morgan tried her hand at selling lemonade. The result was a success. She personally raised the funds and her mommy wrote out a check designated to purchase a soccer ball for Morgan's foreign friend. When we delivered the present along with a note from Morgan, Jessica's Dad was moved by this compassion connection reaching out to his daughter and he asked many heart felt questions.

Sponsors sending designated checks for special occasions have met many needs, with expressions of love and acts of kindness. A mother and two young girls were kicked out of their home because their father brought another woman home. This fractured family is looking to the Lord in their time of testing. The oldest girl's sponsor sent a special offering that brought a smile to this child's face.

High quality sport shirts blessed many...

Another family was showered in toys and a sack of cement so that their preteen girls could have a latrine and not have to go the bathroom outside on the ground...A little baby was given medicine for asthma and another was given special liquid vitamins with iron to combat 3rd stage malnutrition and anemia. Vitamins were also purchased for a young girl's whose growth has been stunted due to malnutrition. Needy lives are being touched.

I want to urge all our readers to get involved and be a part of this Compassion Connection. Please pray for these dear children, become a regular supporter and give special gifts.

Together we are the eyes that see...The hearts that feel...and the hands that serve.

Together we are Life Savers,
