We felt the brush of angels wings at our inaugural church service in ‘Cardboard Landia’ on November 12th. What a magnificent day it was! We were grateful for the two visiting delegations of guests who came to celebrate with us. Friends and family of the newly installed Pastors Pepe & Yolanda came from Guadalajara along with our beloved Camp Sonshine team from Lincoln, Nebraska. I have longed for the day when we would launch a Vida Internacional church in this struggling and impoverished community. As I prepared my message I asked the Lord, “What do you want me to tell these people?” HE said, “Tell them I love them! Tell them about my greatest gift of love... Jesus Christ!” I told them about His compassion. I told them that He wanted to carry their heavy burdens and take away their guilt and shame. Most of all, I told them that He loved them so much that he took on their sins as His own and gave up His life for theirs. I told them that no one could ever love them more than Jesus.

I started and ended my message by telling them the story of a Christmas we celebrated nearly forty years ago as a young couple. The only Christmas decoration in our home was the big white letters sprayed on our front picture window; ‘Happy Birthday Jesus!’ I told them that a young woman named Michelle gave her heart to Jesus and received God’s greatest gift that Christmas. I ended the sermon by telling them that Michelle went home to be with the Lord last month but because she received God’s greatest gift, her life greatly blessed many as she shared God’s Greatest Gift with them. Thank you for co-laboring with us as we share The Greatest Gift to many in Mexico and around the world!

God Bless, Merry Christmas and...
Happy Birthday Jesus!
