**Doctor Encounters
Great Physician**

Our mission at LSMI is to demonstrate the love of God in tangible ways so that people will respond to Him. We take a practical approach in sharing 'The Good News' by meeting the people at their point of need. We recently held a three-day medical campaign at our two community centers in Mexico. The morning sessions were held at Cardboard-Landia, and the afternoon and evening consultations were held in Mezcales. We are grateful for the short-term medical mission team from Grace Bible Church in Mena, Arkansas who spear headed this event that we hosted. I love to see the impact upon our communities when church groups from the states come down that are organized and prepared to serve.

I am blessed to see the response of our communities as they turn out in response to getting their needs met. We saw many things, from a teenage mom's orientation on how to care for her newborn baby boy, to the elderly getting geriatric treatments for all their aches and pains. One of the recurring diagnoses for all ages was parasitic infections and the need to be dewormed. I know that this sounds totally disgusting, but let's be real; I have seen round worms the size of chop sticks come violently lunging out of the throat of a boy as he was doubled over coughing them out in reaction to the deworming medication. I have also ministered to a child who had a life threatening bowel blockage consisting of a compacted ball of worms that needed to be surgically removed.

The really 'GOOD NEWS' of the campaign is that the Mexican Doctor who volunteered to serve in our medical outreach came to faith and responded to accepting Jesus Christ as his personal savior. Dr. Ramon has been radically saved and has expressed a desire to be water

baptized in obedience to our Lord's command. He has expressed repeatedly that he is not the same since his encounter with the Great Physician! Please lift him and his family up in prayer as they begin their new walk on their faith journey.

We want to thank you for your faithful prayers and support that allows us to facilitate and host medical outreaches that alleviate human suffering and open the door to the Gospel in the lives of these people.

Together we are LSMI/Vida International
Thank you and God Bless!
