The year 2001 in the Short house was good despite the national tragedy that has touched all of our lives. So what about the Family? First of all we had a new addition to our household. The Kids have been bugging us for seven years to get a dog. They missed the dogs we had in Mexico when they were growing up.

Carol and I were taking a stroll on the last day of May. We discussed the big "IF"... what would that dog be like? The next day someone gave us a Jack Russell / Rat Terrier mix. The Lord gave us the desires of our hearts. We named him Jack. He keeps Carol company while I'm away and the Children are at work.

That is enough dotting on the dog. Mr. Josh turned 24 in December he took a break from community college to try and catch up on his bills. He is planning to go back into military service (ARMY) and or study diesel mechanics at a community college in the fall.

Amy is now 19 & has a beau. His name is Todd, and she is serious about wanting to get hitched when he finishes college (approx. 2 years.). She has been attending community college and cared for a special needs child most of the year. Currently She and Sarah are hopping cars at Sonic.

Sarah graduated from High School 2 years early. She was the first student in the history of the school to do that.

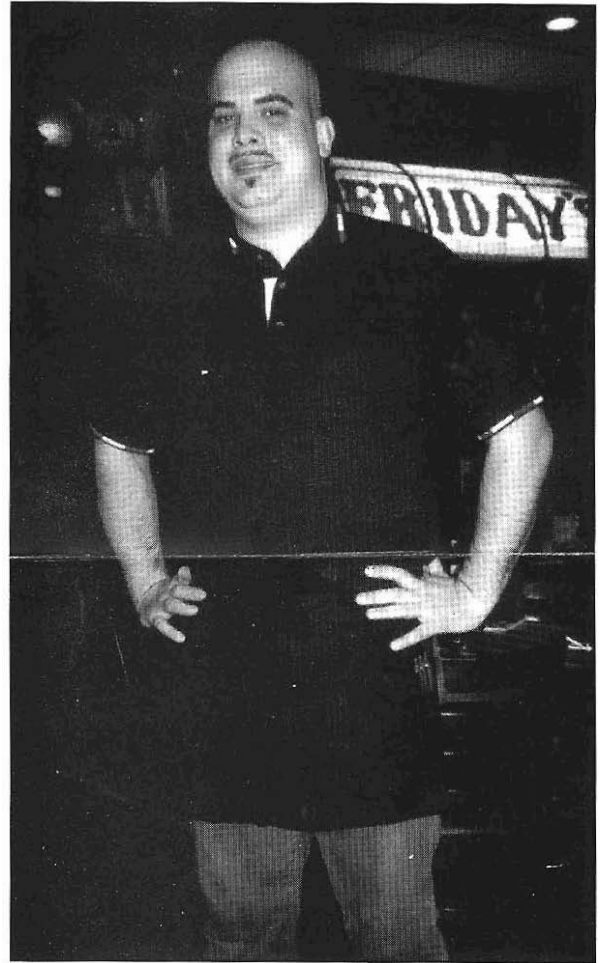

Sarah at 16 graduated two years early from high school! She is working two jobs from 7 am till 12 am. She is a Spanish speaking telemarketer by day and Sonic by night. She is trying to save money to buy a car and go to community college in the fall. I never imagined that all three of my children would be in college at the same time.

Carol is Carol, faithful and strong. Hard working serving the Lord and her family she continues to provide us with her wisdom and envelops us with her love. She loves that rare, once in a blue moon, peaceful night at home with PBS, pop corn and of course "Jack". We look forward to serving the Lord together with you in 2002,

In Christ's love,

Lee & Carol
