**Children Empowered  
Serving the Lord**

*Mikaily serving the construction workers building our new Vida Center*

Youth at our Vida Centers in the Dominican Republic are unleashing their passion for the Most-High God through vibrant ministry. The children come prepared to serve the Lord with devotion and a pure heart. Children want to take part in ministry; they want the opportunity to serve. We value their zeal with open arms and give them the opportunities to exercise their gifting in our multi-generational worship services from playing instruments, ministering special music and interpretive dance, to being greeters, taking up the offering, teaching Sunday School lessons to younger children and providing leadership to motivate the other children to serve and taking part in setup and cleanup.

I appreciate when God calls children, grants them divine talents and abilities, and then gives them opportunities to develop their gifts. Pastor Miguel's children, Miquel and Rutmeri are preparing plates of food for the laborers. Mikaily, Pastor Miguel's youngest daughter, joyfully serves meals to the construction workers, embodying compassion and generosity. Their dedication to building the new Vida Community Center and Church is truly remarkable. This new Vida Community Center and Church will bring transformation to families, restore hope, and glorify the Lord God. The children are glad to serve.

From generation to generation, He is our eternal God. As Christians, we are divinely called to establish a profound legacy, a solid foundation for future generations to build upon. Soon our lives will be a cherished memory, but only what's done for Jesus will have an everlasting impact.

I thank God for you who empower and enrich children's lives!

Together in His Service,,
