I told Martin, "Someday, instead of cooking Lamb soup, You will be pastoring a flock." We were talking in his restaurant, where every ear was listening to our discussion. His College age daughter, his Junior high age son, his little kindergartener son and his devoted wife were riveted as they listened to the head of their family welling up with tears and saying, "I want to know the truth and serve God. I want a relationship with God based upon the truth found in the Bible. I want my family to know Him, and I want to teach others about him." He asked me with tears in his eyes when would he be ready to share the things he was learning from our Foundational Doctrine course with our Video Bible School, Vida Internacional.

I told him that as soon as he learns something from a video lesson, he should share it! God will use him if he shares the new truths he is discovering from the Bible. A big mistake many people make is to wait until they think they have arrived to a certain level. They never share the Good News of God's word if they wait. Share and you will grow faster with that challenge, and others will be blessed.

Carol and I met Martin and Martha when we first arrived in Puerto Vallarta in 2006. We developed a friendship with them over time as we enjoyed their delicious Birria de Borrego (lamb soup). I gave Martin the first course of Vida Internacional as he expressed interest in learning more from the Bible. He has been an eager student, drilling me with questions and discussing what he is learning.

Children are being blessed body, soul and spirit at the ministry base! Pastor Miguel Pena and his congregation are partnering with us to reach the children in our neighborhood in Mezcales. Pray that God will help to grow his church through this outreach.

We are making progress in the building. This month we expect to finish the well and the bathrooms for the children. We hope to complete the lenti and columns on the second floor and pour half the roof if the funds come in. Pray for God's continued supply to bless the children and host groups, that the Video Bible school continues to make disciples and touch lives in our community, state, country and world.

Together We are Life Savers,

Lee & Carol

Say a prayer:

1. Pray for hearts of those with influence to be moved to give us favor.
2. Continue to pray for God to move that roads will be built and electricity poles installed so that we can fully function here where we are called..
3. Pray for continued protection of workers and over our ministry and provision for the work.
