My sermon centered on the theme: “The harvest is indeed plentiful, but the laborers are few, Let us fervently pray to the Lord of the harvest to send forth laborers.” This was on a Thursday. Two days later, we rented a Wawa and picked up Vida mission members from La Colonia and Oviedo and headed to the Haitian border to our mission in Pedernales. We felt joy as we drove on the rocky desert washboard roads, swaying back and forth, up and down on switchbacks and hairpin curves.

Comradery in the Great Commission is truly a beautiful thing when we all get on the same bus and head to the same destination together, in harmony and united in purpose glorifying the Lord of the harvest. Upon our arrival, we unloaded the bus carrying our instruments, sound equipment, chairs, and refreshments down and up the stony path to the mission. We worshipped in the open air in both song and dance. I geared my message toward the children, since they were the largest percentage in attendance.

Through the powerful story of Jesus healing the blind man, God illuminated the children’s spiritual understanding, guiding them toward our Lord. In a heartening display of faith, 24 children embraced Christ as their Savior. Please pray that these resilient Haitian children will continue to stand firm in their faith amidst the challenges they face, including mass deportations and the demolition of their homes. Our Vida Center remains a beacon of hope, where we share the empowering message of Christ. Your support and prayers are invaluable as we continue our missionary outreach, helping those in great need.

**Vida’s Missions
On Mission**

We have a divine commission from our Lord Jesus Christ to work together in the great world harvest of souls. Time is of the essence, but we must choose to get on board with Christ's agenda. Will you help?

Together, we rejoice in the mission of the Great Commission!
