A HARD THING BUT... THE RIGHT THING. "The thief's purpose is to steal and kill and destroy. My purpose is to give them a rich and satisfying life." John 10:10 (NLT). We are in this fray to establish an Oasis of Hope and Love in this chaos of human tragedy. We have fought many battles on EVERY SIDE but through the grace of God we are more than conquerors! Not everything is easy, but when it is a "God thing" your heart longs to see His love break through and establish His rightness in a hell hole of human calamity. These marginal children suffer hunger and abuse in a shanty town with an infestation of drug addiction, prostitution and a horde of other social ills.

We went into building the Children's Center in 'Cardboard-Landia' with our eyes wide open to the hardships that we would experience. We have been hassled by corrupt local officials, by multiple thefts on multiple occasions and harassment by members of a satanic cult called Santa Muerte. We chose to fight here and now to do what we could to pluck out from the enemies' hand impoverished souls; to seek and to save that which is lost.

We now have a major victory: Last May the local government brought our construction to a screeching halt. It was a very complicated and difficult situation that we were facing... BUT GOD! We now have our necessary paper work and can legally proceed with the construction and completion of our Vida Int'l CHILDREN'S CENTER. In 'Cardboard-Landia' little lives are being transformed and given hope and a future! Let's move forward and get this building finished, equipped and pay off the land!! It will take approximately \$35K. We can do this. Yes it is a HARD THING BUT... it's the RIGHT THING!

Together We Are Rescuing Children's Lives,
