Dear Friends,

Jocotepec is an ancient settlement with history that stretches back to the time of the Aztec. It is said that it was the most bloody of all sacrifice centers in Mexico. The last human sacrifice recorded in Mexico was committed there. This spiritual stronghold of evil had no Gospel witness. But...Guess what? V.I.D.A. (Video Instituto De las Americas) was provided by God with facilities for headquarters and a residence for my family in Jocotepec.

This month we are settling into our new home. It seems to have been designed with us in mind, with room on the grounds to house guests, facilities for offices and potential for future expansion as ministry needs increase.

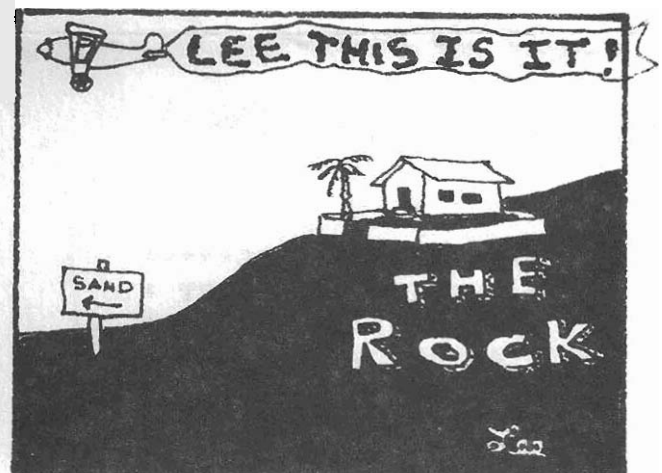

The house is located near the lake Chapala, just 30 to 45 minutes from the airport and 50 minutes from the city of Guadalajara. It was built 15 years ago into the side of a mountain by a Mexican general and is still called "the General's house" by the people there.

Early in the morning of the day that we found these facilities, my devotions were around the scripture Matthew 7:24-27 which tell the story of the houses built on rock and sand. That day, we looked at two different houses suitable to house V.I.D.A. The first was built on the sandy shores of the lake-the second was built up into the rock of the surrounding mountains. The one we chose was built upon the "ROCK"!!!

SHORT STUFF

CAROL, DO YOU THINK SOMEONE
IS SPEAKING TO US?

YOU ARE INVITED

You are cordially invited to participate in a dedication service for our new facilities on Sunday, October 7, at 6 pm in the evening. You could fly into Guadalajara airport, and we will provide sleeping accommodations, putting the men and women in separate rooms. We would suggest that you fly in on the Thursday before and leave on the Tuesday following. During that time we would like to plan ministry in the Guadalajara area for those of you who would care to experience ministry here. Ticket prices are substantially cheaper if reservations are made 30 days in advance. If you would like to contact a Christian travel agent that specializes in mission trips, call Ronnie Matheny at 1-800-542-2676. Please tell him that you were referred by a Globe Missionary Evangelism-Missionary.

PRAYER NEEDS

1. That V.I.D.A. becomes a legal non-profit civil organization in Mexico. This will allow us to become a legal entity operating within the framework of the Mexican law.
2. That my family can qualify to receive better visas in Mexico. We would retain our American citizenship and have legal right to residence in Mexico.
3. Pray that the Lord will provide the broadcast quality super VHS cameras and equipment so that we may build our own studio on the facilities.

We believe that God wants to use this video Bible school to train and equip leaders who can care for the church here in Mexico.

You are all a part of this and we thank you for making it possible.

—In His Service,
