April 1994

Dear Friends and Partners,

This last month, we have been rolling up our sleeves and doing all the 101 things that a small ministry like ours has to do when getting established in a new location; filing with State and Federal governments, accounting, etc, etc, etc... Along side these administrative activities, we have been ministering and sharing our faith.

Carol spoke at a ladies meeting on the theme of "Jesus, the Author and Finisher of our faith.", sharing testimonies from our lives how Jesus has brought us through crisis after crisis. The ladies listened through their tears and laughter, and afterward, many of the women came forward to receive prayer and share that it was a comfort to them. One lady had just lost a loved one and said that the testimony of Lee's death experience and entering paradise, helped to bring peace of mind and the reality of heaven.

Lee had the privilege of sharing Jesus with a Chinese man while ordering video equipment. The man listened eagerly and asked several questions, especially about the end times. You see, this man is under conviction because he and his wife are not Christians, but his young children go to a Chinese Church with a neighbor. Every night when this man puts his children to bed, he hears his children praying. Pray that Kan Yeung surrenders his heart to the Lord.

AND SHE'S OFF!!!

We would like to pay tribute to Missionary Nannies for the tremendous blessing they have been to our family. We feel that they literally saved our lives. Ms. Carolyn Lyons came to help home-school our children in January 1993, in the midst of some of our most severe trials and she has remained with us until April 1994. Ms. Lyons has taken a new assignment in England. We bless you Carolyn, and say a hearty THANK YOU!!!!!!both to Carolyn and Missionary Nannies.

PRAYER REQUESTS

1. Pray for our children's adjustment to American culture. *no compromise!*
2. Pray for Mexico's peace & stability after the assassination of the PRI candidate, and for the upcoming elections.
3. Pray for the volunteers who are studying video editing & production that we learn quickly.
4. Pray for God's continued revelation to us that we would be walking according to His will.
5. Pray that we would have new students and continued fruit.
6. Pray for Carol's right shoulder, it was thrown out from the crutches and is very painful.

We love and appreciate you all. Without the prayers and support of God's people, we could not continue this missionary effort. Thanks for hanging in there with us!!
