CUBA REPORT:

Dear Friends and Partners,

I believe the Cuban people are not only suffering under an oppressive *communist regime* but are also under *Satanic curses*. Revelation 2:12&13 could fittingly address the church in Cuba. "And to the Angel of the church in (**Cuba**)Pergamos write . . . "I know your works, and where you dwell, where *Satan`s throne* is . . . "

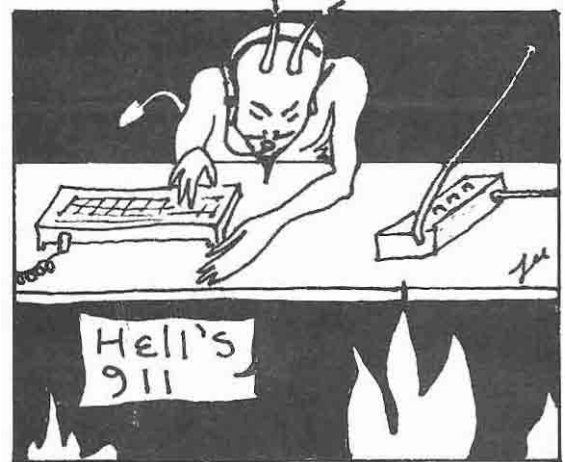

We climbed the steps of the magnificent *Capitol building* of **Cuba**. We were in awe of its grandeur and world class architecture with granite pillars shipped in from Stone Mountain Georgia, and stately mosaic floors with fifty-two different types of marble from Milan, Italy. A young lady in a military style uniform approached us and took us on a guided tour of the edifice. Occasionally in conversation she would *squint her eyes* and ask us personal information about ourselves and *what were our reasons for visiting Cuba?*

Suddenly we turned a corner and gazed through a window into a lush tropical garden in the center of the Capitol. We could not believe what our eyes were seeing or what our ears were hearing as our guide began to tell us about the history of the statue of . . . *Lucifer!*

SHORT STUFF

SATAN HELP! THIS IS YOUR 911 OPERATOR. ALL HEAVEN IS BREAKING LOOSE IN **CUBA** !!!

Lee & Carol Short

Shortly after our encounter with the *Prince over Cuba* we entered the senate chamber where a Cuban evangelist and my self prayed for the freedom of **Cuba**. At the end of our tour I asked the guide a few personal questions about her soul and relationship with the Lord. She told me that her grandmother is a Christian living in Miami and also that her mother is one, but she was not because it could mean her job. By God's grace I challenged her, "What was more important her job or her soul?" Under the great dome I reached out my hands and prayed with this dear lady to receive **Jesus as her savior!**

In downtown Havana in front of a Catholic Cathedral, black Cubans, half naked, males and females, danced to the beating of drums. As they would squirm like snakes they ran flaming torches across their bodies and appeared to slice their skin with machetes. Many spectators were pushing and shoving trying to give a contribution to the ceremonial dancers. This masochistic occult called *Santeria*, is the syncretism of Catholicism and **African witchcraft**. These people believe that Catholic saints represent African gods. Later, I spoke to a souvenir vender of witchcraft dolls. She asked if I were interested in purchasing some. I shared with her that if I brought them into my home we would be under a curse! I then shared with her the liberating Gospel of Truth, we prayed together for Jesus to enter her heart. *Satan is losing ground. Cuba belongs to JESUS!!!*

Please pray for Lee as he is scheduled to be in Cuba in April. Pray that his mission objectives are accomplished, that he minister under a strong anointing, that many souls be saved, and for his safe return.

In His Service,

*Lee, Carol, Josh,
