Trinidad – Established in 1514 by the Spaniards, it is the oldest standing city in Cuba, and is in great need of a spiritual awakening. Evangelical Christians are few and far between there. Many put their faith in Santeria, a Caribbean form of African witchcraft I went there to pray with the Methodist Superintendent for the finances to purchase a house in which to establish a church. Eldis Year, one of our students in VIDA International (the video Bible School), is holding meetings twice a week in Trinidad. Eldis, a 30 year old lay missionary is single and earnestly praying for a wife. He cannot be ordained in the Cuban Methodist Church unless he is married.

A woman in her mid twenties was trying to sell us jewelry. I asked her, "If you were to die and stand before St. Peter and he asked you why should he let you into God's heaven, would you say?" I explained that God is holy and we are sinners and Jesus is the bridge between a Holy God and sinful man. Yuleisy said she wanted to receive Christ, so we prayed and she invited Christ into her heart. She found the most precious jewel of all, "the pearl of great price".

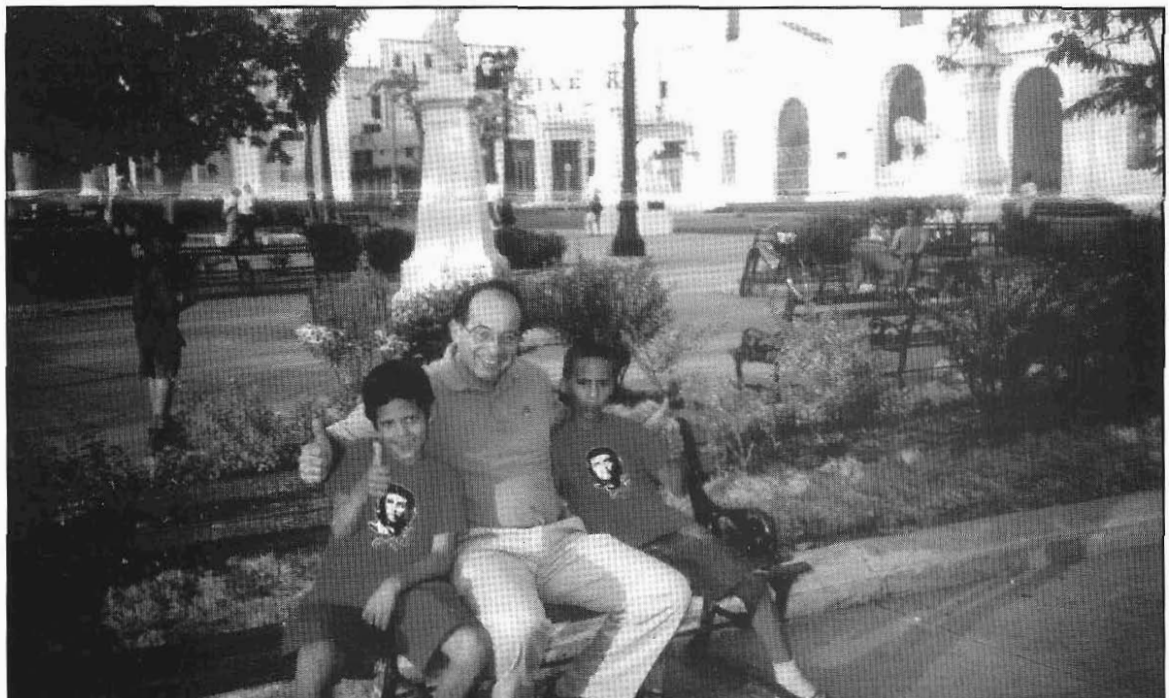

I was in the plaza when two boys were wearing dirty worn out clothes approached us begging for money. I began to share with them that when I was about their age, I invited Jesus into my heart, and I spoke to them concerning their souls. They decided that they wanted to receive Christ as I did. Jose Louise and Elvis, both age 10, gave their hearts to the Master. Nick Danos, who was traveling with me, bought them a tee shirt. They

These boys were very poor even by Cuban standards. I asked them to come that night to the church where I was speaking and to bring their friends and family. Elvis brought his mom. She was afraid to enter the church, but I went outside and motioned for her to come. She is a single mom and was obviously malnourished. I preached Christ and I pray that she will come to faith and find the bread of life. Your gifts make these things possible. Thank you from the bottom of my heart.
