The Cuban Church faced it's fiercest persecution under the fist of communism during the year of 1978. Many Christians had to pay fines because of their faith; some were imprisoned and even tortured to death. I have personally visited one of these chambers of death and saw the smoke stacks where their bodies were incinerated after they were martyred for Christ.

The communist officials declared that when the old Christians die, the church would also die. Wrong!! There have been scores of young men and women who have sold out to the cause of Christ. I want to tell you about Juan. (Some details are omitted for his protection) Seven years ago he began serving the body of Christ in eastern Cuba as an evangelist. Juan began an audio visual ministry in which he built a library and duplicated materials. He works among 50 plus churches.

Juan now copies and distributes our Video Bible School, Vida Internacional. He also is training 10 leaders in the church that meets in his home, using our videos. Juan is working together with us to make disciples through out the Spanish speaking world.

Visit our web site at www.vida.cc. We have completed three courses on DVD format. It takes our discipleship ministry to a whole new level.

We still need funds to produce more courses. Each production costs \$1,000.00. to complete. This is a great opportunity to make a big difference in eternity.

Together we touch the world,
