Getting something to eat at the Kachiquel leadership conference

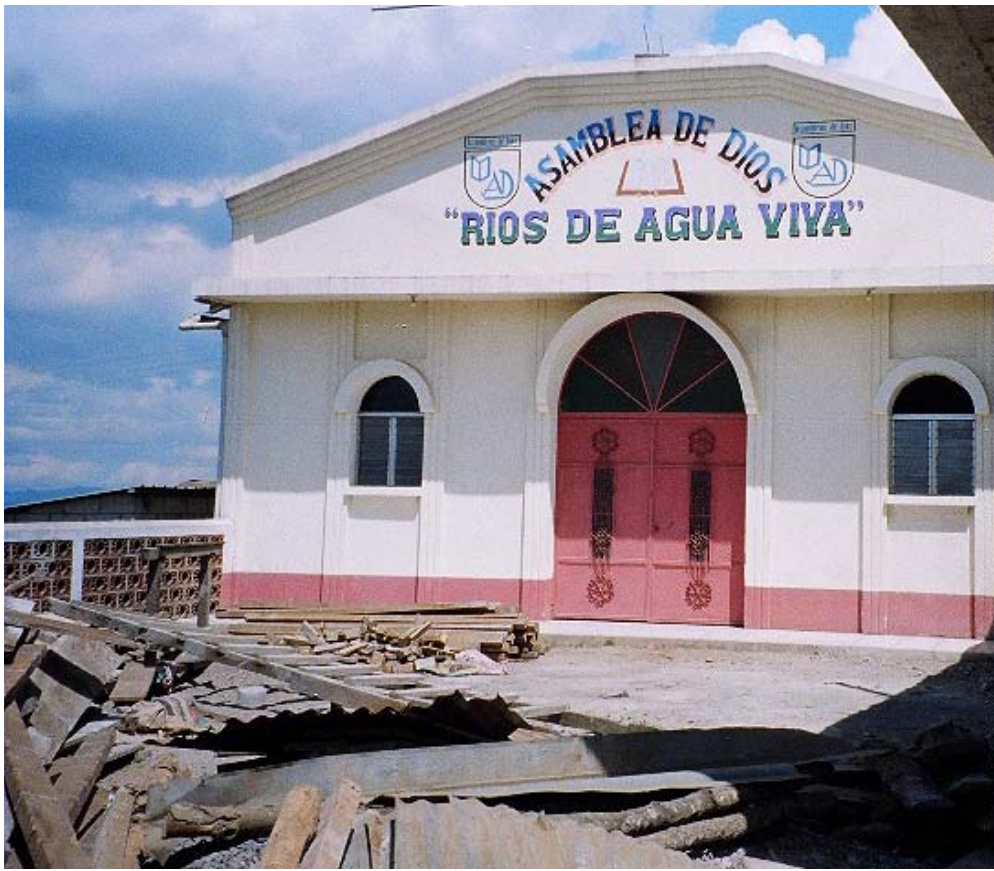

Carol and I were excited to have Pastor Randy Barr from Fountain of Life Church in Wheaton, Illinois come down and minister with us in Guatemala. He stood with me on a ridge in Chuchua Alto and surveyed the surrounding villages below. He has supported our ministry and seen first hand it's expansion as we sought to take new territory through out the Spanish Speaking world. On that day he was visiting the newly constructed building which would house Vida Internacional in the mountains of Guatemala. Small village churches from up to thirty miles away will be sending their students to the Rivers of Living Waters Assembly of God church building. When a village church has a minimum of ten students to be equipped for ministry, we will open a school in their local church also, as God provides the resources.

Our partner in this outreach, missionary Andrew Loveall, has already hired a professional administrator to oversee the registration and development of our new Bible Schools. She will supervise one of Andrew's young men, 19 year old Juan who will duplicate the videos and manuals and set up the schools with VCRs and televisions. We anticipate four schools to be up and running by the time you read this report.

Pastor Randy Barr ministering at the regional pastor's conference.

 (Lee Short Ministries International)

Pastor Randy recently broke a world record for his age and weight class, bench pressing 387.5 pounds. There is no question of his physical strength. He didn't get that strong over night. It took discipline, training and commitment. He had to carefully monitor what he ate, and exercise his body to build up those physical muscles.

Spiritually, it takes the same kind of work. One must commit to systematic studying of God's word. Through Vida Internacional we offer these Indigenous gospel leaders an opportunity to become strong in the Lord and the power of His might.

You can help by sponsoring a Bible School. With a \$1,000. donation, we can plant our "Bible School in a Box". It consists of a 2 year curriculum in a VCD format, with a VCD player. If you'd like to take part in this, be sure to earmark you gift, "Bible School in a Box"

We want to thank you for making this possible with your prayers and monthly faith commitments.

Together We make a difference.

Together We Touch the World!
