God is providing an exciting high impact opportunity for a Mexican Ministry Base in Mezcales, Mexico. Just 20 minutes from the Puerto Vallarta Airport, it is strategically located between Old and New Vallarta. This will provide LSMI with the much needed office space, housing for Short Term Missions Teams and our living quarters. The cost of rent here in Mexico is steadily rising and this move will help us get settled in for the long haul. We will be purchasing a lot from what used to be a mango orchard in order to begin building a Ministry Base. The make up of the community in general is poor and low income seasoned with a couple of foreigners and middle class Mexican families. We hope to break ground this July as the Lord provides the building materials and construction teams.

The need is great here in Mezcales and we want to reach out to our new community. While visiting people in the neighborhood we came across four families huddled together under one roof in a 500+/- square ft area. It was partitioned with sheets hanging from clothes lines providing each family with a the bare minimal sense of privacy. The ladies of the house, Martina, Paulina, Maria and Lucrecia gave us a warm welcome and expressed gratitude for our desire to help their children by feeding them body, soul and spirit through the LSMI Sponsor A Child Assistance Program.

The move out of the city into a more rural developing area will mean that we will need to bring our 1998 GMC Jimmy to Mexico.

 (Lee Short Ministries International)

This year the Mexican government is only allowing 1998 vehicles to be Nationalized into Mexico (imported, tagged and registered). We need to take advantage of this window of opportunity to take our vehicle into the country. That means that we will need to replace our stateside ministry transportation with a reliable 4 passenger vehicle that we can use for itineration and office purposes. We cannot take the Jimmy to Mexico until we have a dependable vehicle donated or the funds to purchase a good used vehicle. We will also need around \$2,500 dollars for import fees, Mexican tags, transportation to Mexico and a few needed repairs. If you or anyone you know has a reliable 4 passenger vehicle that they would like to donate please let us know.

Prayer Requests:

Keep the development of our Mexican Ministry base along with our transportation needs in your PRAYERS. We know that the Lord of the Harvest provides all that we need in order to expand His kingdom.

Together we are Life Savers!

Ju & Carol
