Jennifer at work with her class.

They listen intently, hanging on every word, as Jennifer teaches them English. Singing songs and clapping hands, she uses rhythm to etch the pathways in their brains. We thank God for Jennifer Hudson, a master teacher who is moving to Mexico to help teach the children.

Based on Bible principals, her lessons do more than teach them words. They are learning about God's love for them. From the scripture, "This is the day that the Lord has made", they learn the days of the week and months of the year. As they color pages of the month of their birth, they are learning that they are precious to God. With smiles, pats on the back and occasional hugs, we reinforce the love of God for them. At the kinder table, those too tiny to study English color Bible story pages and listen to Christian songs while they color.

After they eat a hot meal, we call their names and give out clothes sent down by other caring people. Their eyes light up as they see that special dress, or blouse, those nice pants and pull over shirt. These are only some of the ways in which we fulfill our mission, "Feeding Children, Body, Soul and Spirit". Thank you for doing your part in this labor love, as we build foundations in their young lives.

Together We are LifeSavers!
