

Dear Friends.
Does the Gospel radically change the lives of Mexicans? Does it provide hope for the hopeless? You bet your bible it does! I would like to introduce to you Sergio Guzman. The colgate smile that you see on his face was not theres mix years agoy not until he had a close encounter with the Lord Jesus Christ thent: transformed mis idfe.

Sergio was borm a cripple. He was impoverismed in body and spirit. Without the aid of crutches or a wheel-chair, he would crawl ifke maimed animal through the filthy streets of Manzanillo. Using his hands for feet, he draggec his paralyzed legs behind him. He despised his lot in lifey ancl full of self-destruction, became hooket on drugs. In order to support his Mabit, he would drag himself to the red-light district of town to sell drugs to the prostitutes, sailors, and other drug addicts litee himself.

That was Serqio E.E. (before Christ). Today. though he stijl cannot walkn he wtancs tall in stature both in the business and Chmistian c:commuity. He not ondy is self-supporting as a taidor, but he owns the most popular tajlor shop in town. Sometimes the employs up to eight workers to handie his work load.

He is a leader in the local church. He preaches, sings epeciel music. leade the young people"s group, ancl ministers in the prisonn I count it a privilege to be working with a men of his marecter. He is my elear friend, brother in Christi, and what the Bible calls "an overcomer"!

 purchase the equipment not at retail, but WHOLESALE FRICES! We literally saved $\$ 4,000$. $a s$ God moved on the hearts of wholeselers and store owners* A Goodyear dealer repaimed our vehicles free of charge and sold us tires and parts at cost!

We needed a 1500 watt generator, but I knew we hat spent the limit the Lorm had set, so I sait to myself, "We will get it next year." After church a contractor Game up to me and said: "if you Ean wait one hour: I will have a generator for you." we waited, and in an hour he pulled up in a cloud of dust to give us a 1 EOO watt generator -- exactly what we had prayed for:

We want to thank all of you who gave (somany gave in so many Ways). You made it possible for us to return to Mexico fully equipped to do the wort: that he mas called us to do. (By the way: we raised just a little over $\$ 5,000$ and evertmimg is FAID IN ELIL는.
