Wheelchair bound for 15 years, this Cuban brother had a powerful experience when Lee prayed for him. He jumped up out of his wheelchair. Please pray for his complete healing to be manifest.

"And this Gospel of the Kingdom will be preached in the whole world as a testimony to all nations, and then the end will come."

Matthew 24:14

Not only does the proclamation of the Good News speed up Christ's return, it brings down oppressive communist regimes and sets the captives free! The Gospel of Jesus Christ is the communist government's greatest threat. A Cuban Pastor stated that a Secret Police agent said "We know that the American preachers pulled down the Soviets,... and we're not going to allow that to happen here.!"

Lee in the Lion of Juda Bible School in Havana, Cuba. These 150 students are hungry for the Word of God. They are part of God's end time Cuban Army. Disciples trained up to proclaim His love. Jesus Christ is Cuba's only hope!

On the return flight from Cuba to Mexico, my two traveling companions, Jerry Davis, Tim Girshom & I were spread out on the plane. All of us were simultaneously witnessing to other passengers. I had the wonderful privilege of praying with a Cuban nightclub singer, Gloria Rivera. She was raised in the practice of Santaria (Caribbean Black Magic). I shared with her the uncompromising truth of the Word of God, and she renounced her craft and surrendered her life to Jesus Christ!

The dear couple pictured on the right live with their baby in a covered alley way in Havana. Every time it rains their home floods. Not only do they suffer from a lack of proper shelter, they often go without meals. Thanks to your gifts, we paid to repair their 35 year old refrigerator so that their food would not spoil, and we gave them money for food. I shared with them some very practical ways that they can improve their situation.

Pray for Cuba's freedom and the salvation of Fidel Castro so that these people will not suffer needlessly.

HAVANA CUBA, This waitress knelt next to Lee and invited Jesus into her heart in the restaurant!
