Chinandega, Nicaragua.

I gave an altar call in the little congregation of approximately 150 people, and the first two rows came forward. They were not adults nor teenagers, but they were little children whose hearts were touched by the Lord. It was moving to see them kneeling at the altar, folding their hands and earnestly dedicating their lives to Jesus. The Lord impressed upon me to reach out to the impoverished children in the area who had never stepped foot inside the church door.

We planned a neighborhood party for 200 children to introduce them to Jesus Christ. We would sing songs to the Lord, share God's word, celebrate with a piñata filled with candy, and provide a meal to feed these hungry children. We prepared forty pounds of chicken cooked in pasta, rice flavored with vegetables, bread, and juice.

By 12:00, we were swamped by children. Our anticipated 200 swelled to somewhere in the 500 range. I was concerned about not having enough food and I asked the workers to please give smaller portions. They went ahead and continued to fill the plates to the max. Would you believe that not only did all the children get fed, but there was enough food left over to feed all the workers! One of the ladies that distributed the food said that last week she had a dream that at this same location behind the church, they were feeding a multitude of children and the Lord multiplied the food. I believe the Lord performed a miracle of "loaves and chickens".

Carol and I want to thank those of you who are giving of yourselves and sending us forward. Your prayers and financial gifts are what make it possible for me to bring the Gospel to these needy people.

Every trip that I make, I take in more video courses in order to make disciples, so that the fruit from these trips will last.

Together we touch the World!

Love,

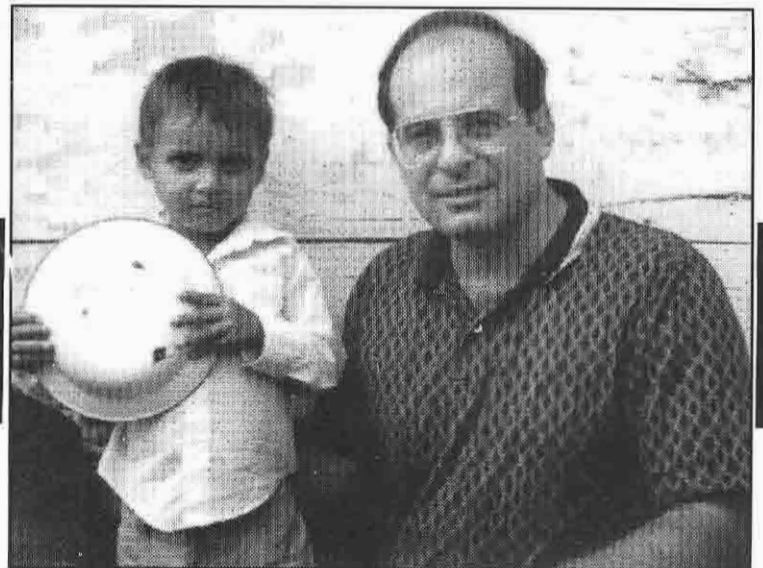

Lee & Carol
