BOGOTA— COLOMBIA - It does not take a spiritual genius to conclude that the country of Colombia wrestles against evil principalities and demonic strongholds. Everyday numerous Colombians are adversely affected as they are caught up living their lives under the shadow of illicit drug trade, extortion, kidnapping and murder. The ones who suffer the most are those in the less developed rural areas. Currently 20,000 people a year are killed due to the violence and corruption. Often it is considered by our state department to be one of the three most dangerous places on the planet. The Drug war has been waged for over 40 years and there are vast regions of that country that fall under the rule of narcotics traffickers and guerrillas. The Colombian government to this day does not have the man power or fire power to win the drug war in the jungles and cities. The people of Colombia need our prayers. They need someone to liberate them from evil.

If we look back into the history of this noble nation that is rich in natural resources and is graced with bountiful beauty, approximately 200 years ago the people of Grand Colombia (Colombia, Venezuela, Panama, Peru, and Ecuador) lived under the oppression of the Throne of Spain which had a lust for gold. God raised up a Great Liberator, to set the people free. Simon Bolivar is known as the one who championed their cause of freedom. Today the people of Colombia celebrate their Independence Day from Spain as July 20, 1810. Who will be Colombia's next great Champion that will free them from their civil chaos? "The Universal Liberator" is the name of

a Christian School in the town of Facatativa outside of Bogotá, Colombia. Could they be referring to Jesus Christ, the greatest Liberator of mankind the world has ever known? "The Church of Christian Harmony Mission to the World" under the direction of Pastor Jorge Gama believes that Jesus Christ is the answer for Colombia and the world! The School is housed in a four story building and is home of 110 students ages from 3 to 17. They have a second Christian school in a near by town with an additional 140 students. VIDA INTERNACIONAL, our Multi-Media Bible School once again is going to be integrated into Christian Secondary Education Curriculum to

prepare the next generation in God's Word to impact their nation and beyond. Maybe the Lord will raise up champions from among these little ones that will someday be instruments in the hands of our Lord to bring social reform, peace and prosperity in place of violence and vice to the people of Colombia. Together we are making a difference!
