Dear Lee,

In 1975, when I left the Maryland Institute for summer break to work in Nevada, you challenged me and gave me a Derek Prince Self Study Bible Course workbook. As I worked my way through it that summer, reading the Bible, memorizing verses, and wrestling with basic doctrines, a foundation was laid in my life. 30 years later, I still have that bright yellow workbook sitting on my studio counter, and more importantly that foundation is still holding. Thank you, Lee.

God has used you wonderfully in my life. I trust He is continuing to use you to build foundations in others just as He did in mine. These days I read your ministry updates with great interest, and I try to picture you walking amongst these people as you did amongst the art students in the 70's. I pray you hear God's voice and follow His leading.

Today, I am sending \$1500 to sponsor a Vida course and manual. My prayer is that through these courses people will have their feet firmly planted on the rock, that they may not only weather life's storms, but that they may find true freedom and riches, as they grow in grace and grow in their knowledge of God.

May God continue to bless you, your family and His church.

With much love and gratitude,

Eric Hyne

1989 - Lee ministering in the prison in Manzanillo, Mexico. He spent one year discipling the prisoners.

It's hard to believe that we have been ministering for 30 years. When we received the letter from Eric, we knew it was time to look back and give thanks for all the Lord has done and for all of you who have worked with us in the ministry.

As we poured over old pictures and remembered past victories and heart ache, we realized how rich we are in friendships and family. God's family!! We are thrilled as we think of the lives God has touched and changed by His great love and power.

1988 - Short Family Jalisco, Mexico.

Beginning as a young couple newly married, striking out in faith to plant new churches, and stretching ourselves and our boundaries as a young family living in Mexico as missionaries, we have seen and done many things. The deep truth of our life story is the joy and wonder of this great world and the unbelievable Love that God has for us all. His provision carried us until today, and continues to carry us as we follow after His awesome purpose and pleasure in our lives. No regrets, no "do overs", its all good in God's plan. We cannot express how grateful we are to you who have stood beside us and "held up our arms" as we worked. We love you and pray for you and thank God for you!

We look forward to our next 30 years!

Together We Touch the World!
