Madeleine & Alan Hanna preparing Carmen's roof for repair.

We have had an outbreak of Dengue Fever in our community and surrounding rural areas. This Mosquito borne disease is no respecter of persons. The symptoms are high fever, bad headache, pain in the bones and muscles, blood in the urine and in some bad cases bleeding.

Carlos, a carpenter knocked on my door at 6:30am Sunday morning. I heard his motor scooter coming before he arrived. He told me that Pablo, the young father of four who lives in the cardboard shack across from him on the edge of our community was very sick. Together we put him in my car and drove to the clinic in a nearby town. We woke the doctor who lives there, so that Pablo could get care. Later I bought his medicine and made sure he was taking it correctly. That same week, Carol and I carried little 2 year old Jose who was listless and burning with fever to the hospital along with his grandmother. With tears in her eyes, she said that we had fallen from heaven to help her.

Recently, I had the sobering experience of lowering an 18 year old boy into the grave, and along with 4 other neighbors, shoveling the dirt to help bury him. A few days later, I went to minister to his mother, brother, grandmother and aunt. I shared with them about our hope in Jesus Christ and gave them food and vitamins. Initially she was despondent, but I could see hope coming back into her eyes.

During this time of need, provoked first by the Swine flu outbreak and then by the Dengue, we have been assisting families who are out of work with much

needed groceries, medicine, and vitamins. When we have the opportunity, we pray with them and talk to them about Christ's love and power in their lives.

I am so grateful to those of you who make it possible for us to pastor the people of our community, extending the love of Christ by caring for them at their point of need.

Together We are Life Savers,

Ju & Carol

Say a prayer:

1. Kitchen setup including stove, propane tank.
2. Resources to finish our living quarters.
3. Continued favor to win hearts for Christ.
4. Health and safety.
