Wives bring lunches to their husbands on the job, Each worker represents a family

He was unable to break free from the bare electric wires that he had grabbed from off the ground. The high voltage that entered his body, deformed his hand into a webbed mitten then it shot up his arm and into his skull, & fried his brain. The electric current then shot down his spinal cord and blasted a hole out his stomach. It was a miracle that Danny survived. The family was devastated when this tragic accident occurred July two years ago. We stood with them in prayer, and we must say, we are amazed at all that the Lord has done. It has been beautiful to see God move on their behalf.

Danny has approximately ninety percent use of his left hand after several surgeries and skin grafts performed by Mexican surgeons—but the battle is not over yet. A large part of his short term and long term memory has not as of yet been restored and he is unable to find employment in this condition. Over the last 21 months he has become more and more depressed, staying at home watching T.V., not wanting to even get out of bed in the morning. ...But God! Three months ago one of our supporters who is an electrician wrote us and said he wanted to send an offering and help Danny out. I felt the best way to help Danny was with a hand up and not a hand out; so I gave Danny a job here at the ministry base.

Danny has been doing unskilled labor helping Pastor Miguel do light construction and maintenance. This is the rehabilitation that he needed. Now he gets up early in the morning on his own and comes to work with a spring in his step, a smile on his face and a sparkle in his eyes. Danny is building physical and emotional strength. Miguel helps to provide Danny spiritual motivation and a Christian atmosphere playing uplifting Christian music on his cell phone. We are grateful for this opportunity to make a difference in this family's life. There is another family heavy on my heart that is in a very similar situation. If we receive the necessary funds for labor and materials we could help minister to another 'at risk' family. God wants to heal families from the head down.

Prayer & Opportunities!

1. Pray that God will bring together the community mothers as volunteers again this next program year.
2. Pray for favor, protection and provision for the expansion of the ministry.
3. Pray for the collection of backpacks again for next school year.
4. Pray that Vida, our Spanish Bible institute raises up more disciples that plant more churches in more countries. Especially pray for Peru, Chile, Nicaragua & Spanish disciples in the USA!
5. Pray that Vida will produce new courses. We need \$1,200 for video production and \$400 for the manual.

Thanks for praying!
