God is moving through their devotion to the Lord Jesus Christ and their passion for souls. I'm speaking about the Vida Internacional Puerto Vallarta Church under the direction & pastoral care of Juan and Rosy Barrera.

The church is known for its ardent worship, their outreach to drug addicts and alcoholics and their ministry to children in various sectors of the city. They are active in raising up leadership and volunteer pastoral staff who serve the youth, house churches and they are opening up new missions.

This congregation is a habitation of restoration and a house of redemption throughout the Puerto Vallarta region. They are also touching the Republic of Mexico as it is the home church of our Mexican organization 'Vida Internacional Mexico'. We now have Vida ministries and churches to the North, South, East and West throughout the country of Mexico. God promised me many years ago that if I returned to Mexico, that He would bless my efforts and touch the nation. God is faithful to complete that which He promises and brings about His eternal purposes.

Now, it's time for us to get out the picks and shovels, trowels and chalk lines buy the rebar, gravel, sand and sacks of cement and do it once again. It's time to break ground. You know what I'm talking about don't you? 'It's time to build!!' We have helped this congregation to purchase the land to build their own building. I would like to invite you and your church to help purchase the building materials and also send down construction teams to beautiful Puerto Vallarta, Mexico. It's time to organize the construction teams and send in the troops to raise up the church home for this dynamic and anointed congregation.

**It's Time
To Build!!**

Not only will your gift help establish this church in a location from which to reach out and touch their community, it gives you the great opportunity to get away to one of the leading tourist destinations in the world and make an impact to touch future generations. We want to thank those of you who give and help to make dreams come true. Please pray and ask God how you can be a part of this house of restoration and redemption in the Puerto Vallarta area.
