Thanks to a gift from a contributor, our neighbor is expanding his home.

Expansion is happening all around us. The Lord supplied and we were able to help our neighbors, multiple families living in a corrugated cardboard shack, to more than double their living space. We also took the two couples to a marriage builder's potluck dinner. Afterwards they put their heads together and had an intense huddle. When they came up for air they asked us if we would begin to have Bible teaching for them and their children. Many of our families have asked us for Bibles so that they can study with their children. We will begin a Tuesday evening Bible study with our Video Bible School in the New Year. Isn't it great when God makes them hungry for more?

Jabez cried out to the God of Israel:

"Oh that you would bless me and enlarge my territory..."

1 Chronicles 4:9

Recently, a Mexican pastor prayed this prayer over me and said that he was prompted by the Lord to tell me that our ministry was going to expand, and that we need to make preparations and enlarge our base. We know that the mango grove that borders us has been sold to build low income housing. We will be in the center of many families who will need a place where the children can come and learn of God's love for them. We are making plans to expand the children's ministry area, moving in faith to obey God.

The need is great here. Unemployment is high and with that comes hunger and sickness. In these times, children suffer the most. They need food, clothing and help with school. They need to know that God created them with

a purpose. Pray the prayer of Jabez over our ministry that in every way and in every direction that God will enlarge our territory for His Glory. If you have never sown into this ministry we ask you to take part today. Those who sow into the work will also reap the Harvest with us. We can't do it without you.

Together We are Life Savers,
