**Time to Build &
LEAVE A LEGACY...**

It warms my soul every time I see little children folding their tiny hands and shutting their little eyes in sincere prayers of thanksgiving for their food that they are receiving at our new children's program in Pedernales. I was recently doing an interpretive dramatic story telling of the lives of Samson and Dilliah and the consequences of bad behavior and God's grace towards us when we return to Him. These dear children were able to interact with me answering my reflective questions about the lesson. It is so worth investing in their lives and to see the Spirit of God illuminating their hearts and minds. We have 125 kids currently being ministered to on the property that we have recently purchased on the border of Haiti located in the Dominican Republic. The wood in the shack the children are meeting in is rotten, and the roof is dilapidated. The building needs to be torn down and replaced with a safe place where these little ones can grow in their faith.

Across the border in Haiti in the town of Anse-A-Pitre, our Vida Mission Church meets in a palm branch sanctuary. Every time I bring a American guest to service their knees buckle as tears fill their eyes experiencing the presence of the Living God. The rhythm and intensity of their worship is electrifying as our Haitian brothers and sisters worship the Almighty in creole! Add to that the ministry to the children who are living in abject poverty. They are beautiful, they are little spiritual sponges, they are grateful, they are very intelligent and they love God. It is time for us to build and give them hope for a brighter tomorrow, because somebody cares about helping them in meeting their basic needs. It's time for us to leave a living legacy of love. We are believing God for these 2 miracles! I don't know how or how long it will take but I know these two Church/Children's Centers will become a reality. These CHILDREN need your help! It is going to take financial gifts and construction teams. We can do this! IT'S TIME TO BUILD and IT'S TIME TO LEAVE A LEGACY!!! (over)

Carol and I thank God for each and every one of you who through your prayers and financial support make it possible for us to continue our work. **Please prayerfully consider a year end tax deductible contribution so that we can continue this wonderful journey of ministry together.**

Praise Report: We have purchased the property in Pedernales!

Prayer Request: It is time to build on our two properties on both sides of the border both in the Dominican Republic and Haiti. We need the teams to come down, bring the materials and necessary building funds!

Together We Make a Difference!
