We arrived in Chile at 7 o'clock in the morning with less than 1 hour of sleep. Pastor Herbert Jimenez, our South American Director) had a list of pastors and churches that we would try to make contact with. We prayed that God would guide us to work with those pastors who had the greatest need and would best utilize our Video Bible School materials.

We had difficulty getting in touch with most of the pastors due to an interesting custom in the country of Chile. Chileans, like Europeans actually take a month off for summer vacations. Many of the pastors shut down their churches in the month of January, due to the fact that their congregations are gone. Yes, January is summertime in Chile.

The Holy Spirit guided us to Pastor Eliecer Muñoz from Viña del Mar on the coast of Chile. He was thrilled to receive us. We arrived 3 hours later by bus. This poor pastor met us at the bus station, got us a taxi, and checked us into a hotel. He poured out his heart how he has a great burden to begin a Bible Training Center.

**More Prayers + More Support = More Disciples!**

Lee giving pastor Eliecer & his wife training materials that will transform lives.

Between tears of joy and outbursts of smiles this pastor shared how he and the other 100 pastors in his conference lack formal training. They have no preparation in the Scriptures for their calling in God. We gave this dear man of God two complete Video Bible Schools, one set for his own Bible training center and the other to be utilized by the 100 pastors in his conference.
