A good night's sleep is something many of us take for granted. Can you imagine going to sleep on a board in a one room shack? For the first time in their lives, the Govea Pascual children, Alejandra, Eduardo, Fatima, and Fernando, will be nestling in clean sheets on a comfortable mattress with soft pillows and warm blankets. We delivered their new bedding to their home as their mother Alicia cracked a big smile and expressed gratitude for her children's gifts.

"It is very difficult trying to raise our 4 children," she said. Her husband sells cotton candy from a push cart, and her 15 year old son Eduardo is a bag boy for a grocery store. She plans to go back to cleaning houses when her children get a little older. She said they are all working together so that she can watch over her children while they are little. She said that she did not know what she would do without the help that they receive through the program in Mojoneras. LSMI partners with Pastor Gerardo and Judith Avila in that community.

This dear family receives help with their homework in the after school program, hot meals, shoes, fresh vegetables for the family in food dispensaries, school supplies and medicine. Most importantly, their spiritual needs are also being met as they participate in Sunday services developing a personal relationship with the Lord Jesus Christ. We want to thank the family who sponsors the children in this family for making it possible for them to receive the ongoing care and the special gift of bedding.

We have roughed-in the facility for the children's feeding program at the ministry base, building the structure that will house the outside kitchen, bathrooms and the pavilion where they will meet. The donor of the matching funds is pleased with the progress and is putting out the challenge to put a bathroom and bedroom on the second floor so that we will be able to house the many mission teams coming in this summer.

This is a great opportunity to have your gift go twice as far in expansion of the ministry here in Mezcales. We want to thank each and every one of you who are praying and financially supporting this ministry. Lives are being touched, lives are being changed and people are being blessed.

Together We are Life Savers,

*Lee & Carol*

**Say a prayer:**

1. Continue to pray for God to move on our behalf for electricity and water.
2. Pray that the work will not be hindered by any obstacle.
3. Pray for continued protection of workers and provision for the work
