One Sunday morning, Carol and I were beginning our Kid's Bible Club. Carlos the carpenter, who is our faithful assistant did not show up. I sent one of the boys to check on Carlos & find out why he was late. A few minutes later, Amos, Carlo's brother showed up and said that Carlos was very sick and couldn't come. We all formed a circle together and the children held hands. We prayed that God would heal Sr. Carlos. Later, after the program, I visited Carlos. He said he was very sick all night long, vomiting and burning up with fever. He wrapped up in a thick wool blanket, shivering with chills and fever and fell asleep after his brother left to tell us he was sick.

That morning, Carlos had a dream. He dreamed he was at the ministry base, and a Canadian couple drove up to help round up volunteers. He saw himself with our Contractor Miguel, and others working on a new addition. He woke up from his dream completely healed, feeling strong and well. He told his brother about the dream and that he was completely recovered as if he had never been sick.

A few hours after Carlos told me the dream on that same day, the same Canadian couple that was in Carlos' dream drove up. They asked if we had a ministry construction project for the Canadian "Snow Birds" who come down to Mexico every year. I could not believe my ears. The next day on Monday I ordered the steel to begin erecting columns to expand the children's area.

Breaking Ground!

Monday afternoon, Carlos was standing outside our facility helping to lay out the project! Carlos' faith has soared as he revels in his divine encounter with God. God's Spirit is moving!

The next Thursday, after the children finished their homework, they wanted to sing. Carol led them with every song we have taught them. They could not get enough. The mothers joined in shouting the words to Carol when she forgot them. I walked by the bathroom and heard little 3 year old Araceli singing at the top of her lungs as she was doing her business, "Cristo me salvo, mi Corazon limpio!" (Jesus saved me and cleansed my heart.) Thank you for your prayers and support. We couldn't be here without you!
