With their sharp tongues they lashed out at us saying, “We don’t want anything to do with YOUR RELIGION!” That was three years ago when we tried to share a simple Gospel message with the mothers volunteering in our UPSTART Christian community center here in Mezcales. There were times when a few moms would become down right belligerent. We continued to serve despite their opposition and we embraced them anyway. We shared our lives with them, prayed for their needs, and they continued to come. Jesus said, “Love one another as I have loved you... “Love your neighbor as you love yourself.” Love is best expressed through action, through simple acts of kindness such as weeping with the broken hearted, feeding the hungry, helping children with their homework and wiping their little runny noses.

Today things are very different and Jesus is the reason for the change. Through God’s love, hearts are softening. The Holy Spirit is weaving a tapestry of love and relationship throughout our neighbor-ing communities. This month our theme for February was LOVE. Nothing original there but... it is NOT just any KIND OF LOVE. The children’s memory verse was John 3:16, “Porque de tal manera, amo Dios al mundo que ha dado a su único Hijo...” Our theme song in English class for this month was “Jesus Loves ME.” Today some of the moms are singing Christian songs and listening to Christian music in their homes and on their cell phones. One of them even suggested that we have a BIBLICAL Baby Shower for one of our volunteers. At the party Carol gave Rosario, the expectant mom a new Bible and shared with her about raising a child with Christian values. She prayed for a safe delivery, divine protection and that the child will come to know Jesus Christ as his Lord and savior at an early age.
