Our world is growing smaller and faster at the same time...Two hundred years ago a journey that took months now takes days and in a trip that took days we arrive in just a few hours. In these last days; time, distance and the lack of knowledge are no longer the great barriers they once were. Thanks to freeways, sonic trains, jet planes and the Information Highway; our Wi-Fi Generation just might be the Last Days Generation spoken of in Daniel 12:4, "...keep this prophecy a secret; seal up the book until the time of the end, when many will rush here and there, and knowledge will increase."

Our communications and transportations systems are breaking sound and light barriers, now we can send messages in a nano second. But what are we to do with this new found freedom? Are we to behave as privileged consumers gorging ourselves in the lap of luxuries and endless vacations 'Licking the Earth' or does God have a greater purpose and end time opportunities for those who are spiritually prudent?

The answer is yes, affirmative and amen. God wants all of us to experience the distinguished honor and promised blessing of Daniel 12:3 "Those who are wise will shine as bright as the sky, and those who lead many to righteousness will shine like the stars forever." This beautiful promised reward prefaces the end time prophesy of Daniel 12:4; Do you long to do the greater good and lead many to the cross of Christ; children, the poor, the elderly and people everywhere?

None of us can do it alone; each of us needs to be equipped and discover our particular giftedness. Then we must band together in this great end time harvest. There are those who are constant in pray and those who faithfully sow seeds of support. Others are ministering across the street and around

the world; And yet there are those who multiply ministries by creating teams to reach further and faster, winning the lost and training others to serve, affirming them, then releasing them into ministry. If we are wise we will all shine. The Last Days Opportunities are GREAT and the time to act is now! Together we are making a difference
