One of the things I love about missionary service is experiencing the joy of Jesus shining on the face of children. My heart is warmed by their radiant smiles throughout the year, but the glow intensifies during our 8 days of Camp Sonshine outreach event. We run two camps simultaneously, in the morning we were at Cardboard Landia and in the afternoon we were cranking up in Mezcales. The children are organized into small groups according to their age and paired with two youthful group leaders. This is a key ingredient in the “Jesus Joy” magic. They bond with their camp counselors and their fellow small group team members. Another key ingredient is a time of joyful worship and celebratory choreographed dance with hilarious dramatic skits which teach values.

Games and sports are always in the mix and when they’re playing soccer, I’m all in. We do arts and crafts and a time of Discovery in which a Bible message is delivered in such a way as to capture the attention and imagination of the children. The children get to eat lunch each day & they leave with a treat and a tiny token toy. The main thing is that all week long during our Camp Sonshine outreach and all year long through a variety of our ministry venues, the Good News of JESUS who is the only true source of eternal joy, is shared. I want to thank all of our loyal and faithful prayer warriors and supporters that provide the resources so that we can be the hands and feet that serve these little ones the “Jesus Joy”.

Thank you!

Together we are LSMI/Vida Internacional!!
