JANUARY 1992

Dear Friends,

We continually find ourselves in the frey. The warfare is intense, the stakes are high and we call on you to pray with us! God answers prayer. I know beyond any doubt that the victories and accomplishments that we have experienced this year are largely due to YOU who are "Prayer Warriors." I would like to list just a few of those answers to prayer a "1991 Praise Report."

Carol has been given a clean bill of health. She had a six month check up after surgery on a cancerous thyroid goiter, and the blood work revealed she is doing great!

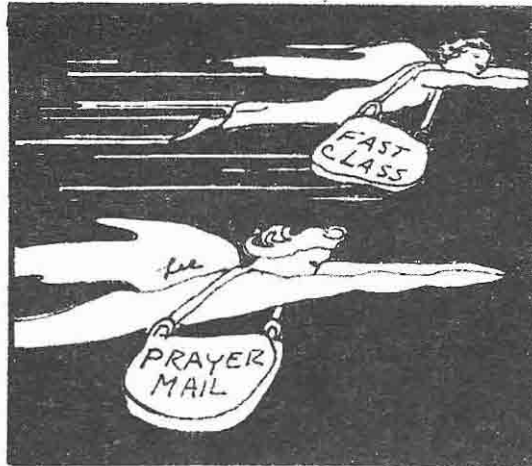

Technical help is on the way! Our prayer that God build a "team ministry" is being answered. An electrical engineer, 72 years young from Turlock, CA, has experience building video studios around the world. Milton Sondeno is coming down at his expense to get the Video Institute set up and running. He plans to be here at the end of this month.

Another team member to the rescue is Carolyn Lyons, the interim principle at St. Timothy's Christian School. She is preparing to be in Mexico this summer with a six month commitment. She speaks Spanish, and has some mission experience in Spain with the Episcopal mission board and she

really loves the Lord. Praise God for answered prayer for help with the children's education.

The interior masonry work in the video studio and print shop has been completed debt free! PTL!

Our first 20 hour video course and accompanying study manual was completed and is being used through out Mexico in several different locations. PTL!

We requested prayer for the extension of high tension lines and a transformer for the operation of the video studio and print shop. This was a major financial expense and God has provided. PTL!

1991 has been a year of many accomplishments, victories and answers to prayer. Thank you for fighting the good fight of faith with us. We are more than conquerors! We love you.

PRAYER REQUESTS:

1. Pray that God delivers us from all the attacks of the racketeer lawyer and that he is ensnared by his own devices.
2. Pray for the team that will install the A/C, for their funds and travel expenses.
3. Pray for the team coming down to set up the print shop, for their finances, travel money and wisdom in conducting their affairs.
4. Pray for the purchase of the video equipment, the Mexican staff to run it, and the finances to operate it.
5. Pray for the health and safety of our family and team.
