It was clear as a bell after committing it to prayer where I am to minister in 1999. God laid Chile, Cuba, Nicaragua, Mexico, Peru and El Salvador are on my heart for the coming year. I was impressed by the Holy Spirit that I was to not only go into two new countries, but to revisit some of the faithful national brothers who labor with us in Cuba, Nicaragua and Peru. My heart longs to encourage them and to bring them new Video Bible Courses.

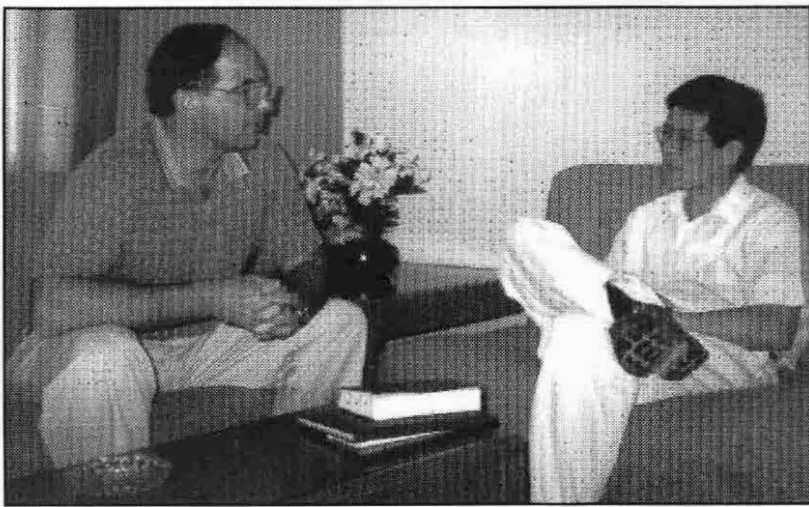

As we go forward making disciples and winning souls, we also have to do the best we can to maintain our faithful co-workers on the field. We are believing that our Video Bible school, Vida International's director, Jorge Gamboa will have the necessary support raised to dedicate more time to help Vida reach more people and develop more materials. Jorge now has about 40% of his needed support. Believe with us for the additional 60%.
