Seville, Spain- "Five kids, six ladies and a pastor" no, this is not the title of a movie but a typical Sunday morning for the mission church of Pastor Pedro Pablo Rodriguez. I first meet him in Guadalajara, Mexico where he and his wife are from right before they left their country to serve on the mission field of Spain. It is difficult to raise up a church when most of the people are atheists and have lost their faith in God. Christianity has died a slow and painful death in most European countries over the last thousand years. The people live to gratify their physical and material desires. Attending Church on Sunday mornings is not practiced. There are very few evangelical churches in Spain, some Mosques and Cathedrals. Pedro Pablo says that he has led approximately sixty individuals over the last 10 years to Christ but the majority are not going on in their pursuit of God.

Pedro Pablo, and his wife Raquel have turned their outreach efforts to children and their parents through puppets and clowns. The crowds are receptive to the skits on family values and the Good News. It is a non-threatening and entertaining approach that draws a crowd and keeps their attention. There is much happiness and joy yet the message must continue to grow in this hard soil. I knew that the ministry I would be participating in this country would be very different from Latin America. The groups are much smaller but I sensed something that really excited me. These Christians are pioneers for the reestablishment of God's reign in this land. The sowing of our Bible school materials into Spain will be very crucial in the strengthening of disciples for the multiplication in the Spanish church.

We have a great opportunity at this time. We are re-shooting our courses and formatting them onto DVD. This will greatly increase the quality of our material and when the nationals copy them, their copies will be excellent quality also. This will cost us approximately \$1,000 per course. Maybe you or your Church would like to undertake the privilege of sponsoring one of these 10 lesson courses. We have so little time and so much to do in the expansion of God's Kingdom in the Spanish speaking World. God bless you and thank you for your prayers and support.

Together we touch the world,

In His Love,
