What do you think this New Year holds? My granddaughter's response was this... "It will be full of New Wonders and Adventure." This is a good forecast for 2015! We face the future full of excitement and faith because God is faithful and He promises to amaze us. We CAN count on Him. If our goal for this New Year is to see God glorified, His will accomplished, and His kingdom come, then you and I will not be disappointed nor dismayed. God is at work in all things for His purposes. It's not about us... but we get to saddle up for a great adventure.

This past year we have been utterly amazed as promises and dreams have been coming to fruition by His Spirit. We thank each and every prayer partner, financial supporter and co-laborer that participated in the work with us. Together in 2014 we have planted a church in the Dominica Republic, ending the year feeding needy children. We also received two other properties there and incorporated Vida Internacional as an educational church planting foundation. In Mexico, we ended the year beginning the incorporation of Vida Internacional Mexico. We launched with eight churches, many new missions who want to also feed the children.

This Mexican federation of churches is very meaningful to Carol and I because God promised us in a vision that He would bring about a great harvest of souls. He showed me a fleet of fishing boats from the time of Christ with their nets booming out over their sides. I believe we are going to see a great harvest south of the border. We are well into completing the third floor of the ministry center which was the place envisioned to minister to Vida's pastors. State side, Vida Internacional has broken new ground as we are now airing our video Bible courses on channel 28.1 in South Carolina in addition to channel 21.2 Houston, channel 32.1 Midland, and channel 27.4 Beaumont, Texas. Saddle up your horses, we have a trail to blaze in 2015.

Together we are Life Savers,

*Lee & Carol*
