I was preaching in a church in 'Cardboard Landia' and I noticed that the children brought pencil and paper to take notes. I found out that they thought I was going to speak in English and they desperately want to learn the English language. Not knowing their passion to learn my language, I disappointed them by ministering in Spanish. Later, about 20 of them cornered me in the street outside the church door where they were waiting after the service. They asked me, "Will you please teach us English?" You may be wondering why this second language is so important to them. Why do they desperately want to learn English? These children know that English is a way out of their poverty. Learning English has the potential of breaking the chains of bondage that have shackled their families for generations. They will become better equipped to get jobs in tourism as vendors, taxi cab drivers, and in hotels and restaurants, to name a few.

That is why we began building a CHILDREN'S CENTER in 'Cardboard Landia' to provide on-going ministry to these impoverish little ones. We need your help to get this facility completed. Once the center is in operation we will be FEEDING the children NUTRITIOUS HOT MEALS along with assisting them with other basic needs such as clothing, back packs and school supplies. Together we are 'Feeding Children Body, Soul and Spirit!' I want to thank Karen King and Phyllis Wordhouse for helping in getting ex-pats to volunteer their time to teach the kids English and all of you who lift us up in fervent prayers and compassionate financial gifts. These are key components in CHANGING CHILDREN'S LIVES. Together we can make a meaningful difference in the destiny of these little ones.

Together we are Life Savers,

*Lee & Carol*
