Have you heard the 'Good News' about the new beginnings at our Vida Center in Mezcales? Well, we've only just begun right before closing out 2019. We are now conducting Sunday night services in our little garden amphitheatre. Establishing this church plant in Mezcales is a joint effort of three of our Vida Churches and Ministries. Pastor Juan Barrera and members of our mother Vida Church in Pitillal are providing the worship team and various assistant pastors for ministering in the teaching of God's word. Thelma, the director of our Mezcales Community Center is ministering to the children during the Sunday service. Our Vida Center in Cardboard Landia serves the new church plant by facilitating the Friday night home Bible study for people in the Mezcales community. It is wonderful to see our Vida Centers working together in church planting.

One Sunday evening in December after I preached a Christmas themed message, Nancy and her sister came up to me and began to share a fascinating testimony. They told me how they walked past our Center for years on their way to teach catechism at the Catholic Mission. They taught many of the children who attended our program in our community. The lessons were given at the tiny pavilion a stone's throw from our Center.

These two sisters were swept up in the Catholic Charismatic Renewal Movement in their home town in another city and state in Mexico. Their passionate Holy Spirit/Christ-centered faith was not appreciated by the Mezcales' Parish Priest and eventually they wore out their welcome. They were thrilled that we began having Sunday services in our Mezcales Center and they want to bring members of a Bible Study that meets in their home to come join our new church mission. Please pray for the expansion of Christ's Kingdom through our 'New Beginnings' in the New Year 2020.

Together we are impacting the nations and changing children's lives!
