Poverty is cruel and warps the minds of some Nicaraguan women. They believe the lies that tell them that they can find relief from suffering by abandoning their children. They are hopelessly and desperately looking for a way out of a life of misery. The horrors of deprivation lead some mothers to flee into the degrading slavery of prostitution. There are others who will shack up with any man who offers them food and material possessions.

"Could a mother forget a child who nurses at her breast? Could she fail to love an infant who came from her own body? Even if a mother could forget, I will never forget you..."
Isaiah 49:15

I was holding services in a Pentecostal Baptist church. The power of God breathed over us and supercharged the atmosphere. While I was ministering at the altar, a woman seated in the congregation jumped out of her seat and cried out in a loud trembling voice, "God forgive me!". Stepping out into the aisle, she raised her voice even louder, confessing her sins and crying out, "GOD FORGIVE ME!". Relentlessly she poured her heart out to God.

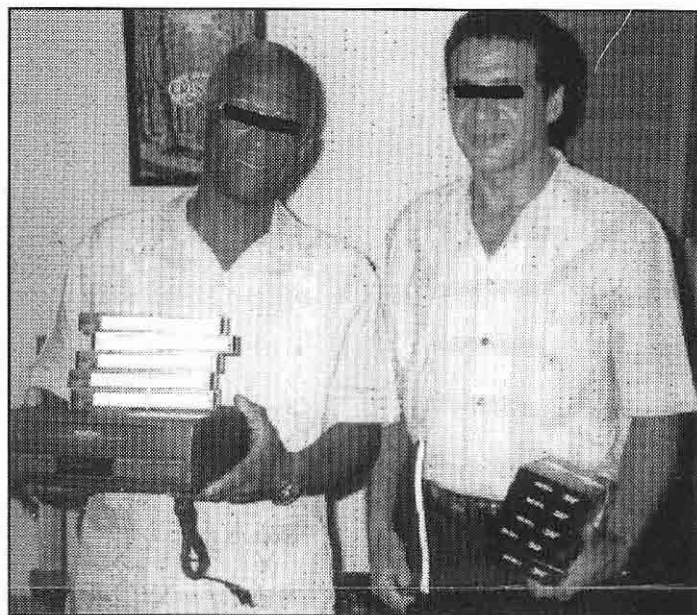

This man with 2 of his 5 children was abandoned by his wife. Pray that she returns home.

David and Diana Moreno are our representatives in Nicaragua, distributing life changing videos that restore families through the power of the Holy Spirit.

HAVANA, CUBA We sent this pastor a VCR & 20 hours of Bible teaching. It was smuggled into Cuba by Evangelist Jerry Davis. Thanks Jerry.

Below: Nicaraguan Pentecostal Baptists meet with Lee to discuss their plans for a Bible Institute.

A man in his early thirties was powerfully baptized in the Holy Spirit. With a sense of awe he stated, "I have never experienced God's presence and power like this before. What must I do to maintain it?" Later that evening, after the service, this same man's 12 year old daughter came up and said "Señor Lee, pray that my mommy comes back home." As I finished praying for her, another little girl approached me and requested that I pray for her mamma too.

Pray for these runaway mothers, Juliana and Marta, that they would be reconciled with their families and with their God. This is why we have taken approximately 150 hours of Bible teaching into Nicaragua. Jesus Christ and His Truth are the only hope to heal hurting families in Central America, and around the world.
