I count it all joy to return to Guadalajara and minister. It was here in this city that we as a young family began our work as missionaries back some 32 years ago in 1987. God was gracious to allow us to cut our teeth under the tutelage of the great missionary Roger West. I had the privilege to visit & pray with him on this trip. He will forever be one of my hero's in the faith. I also revisited some of our friends & neighbors in our beloved town of Jocotepec. This is where we lived and served from 1990 to 1994. This is where we took our stand against the Mafia lawyer and his evil band of outlaws. When our Vida Pastora Ceci heard my neighbors and I share our trials and tribulations she said, "this sounds like an action packed drama that you would see at the movies!" Pastor Oscar said people need to know your story & what kind of man you are. All I can say it was—and is—God's grace that kept us and keeps us in spite of all our short comings.

Now for the really good stuff and the purpose of my visit to our beloved city; I came to minister in one of our Vida Churches. I was received with great anticipation & sweetness. The Pastor's 7 year old daughter, Amiel, was so excited that she was counting the days. She asked her mother daily how many more days till Pastor Lee comes? I love it! The Sunday morning I was to minister Pastor Oscar asked me how much time did I need? He then said we normally worship for an hour, then the preaching goes for about an hour. I told him that will be plenty of time. I preached for my allotted time and tried to turn over the service to the Pastor. He asked if couldn't I minister for another hour so I did. Then I finished and tried to shut down the 3 hour service, only no one wanted to leave, they sat basking in the presence of God for another half hour. God is good.

PRAYER NEEDED

Please pray for construction teams and funds to begin laying foundations for building our Vida Centers on our two properties on both sides of the border in the Dominican Republic and Haiti. The foundations for each church will cost an estimated \$7K for labor and materials. Let's get these buildings built!

We appreciate all of you who faithfully pray and support this ministry.

God Bless!!
