June 1994

Dear Friends and Co-laborers,

A young Honduran, sitting next to me on the plane said, "I see you reading the Bible, are you a Christian?" He then showed me his Petra CD to prove that he was a Christian also. I shared with him why I was traveling to his country, to help & train Christian leaders. He looked at our video training tapes and study guide. He took the manual and began taking as many notes as he could for the remainder of the flight. I like seeing that type of hunger for the Word of God.

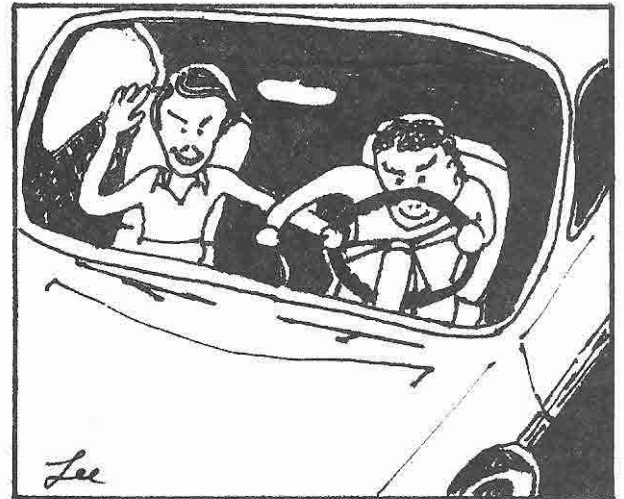

Landing at the airport in Tegucigalpa, Honduras was quite a feat. High mountains surround the city which means the pilot climbs over the high peaks and dives down on to a it'sy, bitsy teeny weeny run-way. The airport looks like someone once had a good idea to construct one, but gave up right after they got started. The Honduran airforce, located next door, looked like fossilized WWII aircraft unable to crank the engine, let alone get airborne.

My first, second and remaining impression of the Honduran people is that they are a gentle race who speak Spanish with a slight Italian accent. Once they are behind the wheel of a car, they like to honk their horns a lot and see how many pedestrians they can run over. One morning a Honduran pastor picked me up. The traffic in the main street was moving at a snails' pace, so he jumped the curb & drove his mini van down the sidewalk for several hundred yards until he turned down a less congested street. That was not the first time I saw that, and no-one seemed to mind, including the pastor's wife!

### SHORT STUFF

Bravo, José It's My Turn!

## MISSION ACCOMPLISHED

The purpose of this mission trip was to begin setting up a distribution center for our materials in Central America. I feel the trip was very successful. Juan Cruz, a fellow missionary with Globe Missionary Evangelism, is developing contacts in the region. He has offered to help us to get our materials out.

## PRAY FOR A MIRACLE

Many people received Christ on this trip. One man that I ministered to on several occasions was a hotel clerk by the name of Joakin Aguillar. He is a 29 year old father of six who tries to raise his family on \$82.00 a month(\$670.00 limperas). His family cannot afford to live with him in the city, they live in a small village 4 hours away. He only gets to see them for two days once every month. His oldest child, a 7 year old daughter, died in September of kidney failure. The second oldest daughter who is 5 is now going through the same problems. Pray for their daughter & the family's salvation. Joakin told me he will visit the church I was ministering at.

## PRAYER REQUESTS

1. Pray for God to make it happen! We are working diligently toward the development & production of new courses. "It's not by might, nor by power, but by my Spirit says the Lord."
2. Pray for God's method in the distribution of materials. We want our materials to bless the Hispanic nations.

Carol & I have a heart full of gratitude to you all for your love, prayer, and continued support. Gracias ( Thanks)!!!

**Lee ministering in the dark. The whole country of Honduras is experiencing an energy crisis. Electric service only lasts a couple hours a day. Then, it's BLACKOUT! But, the "energizing batteries of the Holy Spirit go on and on."**
