The Bible says, "...How should one chase a thousand, and two put ten thousand to flight..." This principle of multiplication applies to team work when God empowers. In my heart of hearts I see tens of thousands of Hispanic Baby Christians desiring to mature spiritually. Someday we will have played a part in helping them to grow up in their faith. God is multiplying our efforts by bringing a Central American couple to work alongside us.

Jorge and Lorena Gamboa are recording artists and ministered on TBN in Costa Rica for six years. They are well connected with ministries and churches throughout Latin America. They have a traveling ministry that keeps them on the go and in between engagements they are working with us to develop our Video Bible School. They are currently editing courses, duplicating tapes for my trips and scheduling the production of new courses with key international Hispanic pastors. We thank God that they also burn with a passion to obey Jesus' command to make disciples of all nations.

Jorge & Lorena Gamboa duplicating hundreds of video tape lessons for me to take to Peru. Pray for their financial support so that they can sow more time into this ministry.

Lee teaching a group of Bible students during a three day seminar on "How to Discover God's Will for Your Life." After each session the people would ask for him to pray for them so that they would receive spiritual impartation. & blessings.

Team work: For years Carol and I have been co-laboring with many of you who have prayed and financially supported our efforts to evangelize and make disciples throughout Latin America. God has done GREAT THINGS. I believe that greatest things are yet to come! **Together we touch the world!**
