Juarez– Mexico, I flew into this drug infested border town to hold a teaching session and challenge the twenty one leaders that attend weekly classes in our Bible School. After these leaders are trained, they will go back to one of the five churches where they serve and be part of the leadership team that will host a “Vida Internacional” school in their home church.

Jesus said, “The harvest is great but the workers are few. ” Can you imagine five churches with only one ordained pastor?

Dr. Marco Samaniego is overseeing this great work along with his four lay ministers. These four church leaders are home grown pastors and lack the ministerial training and depth in God’s word in order to become candidates for ordination. That is where we come in with “Vida Internacional”, our audio visual Bible School. It is raising up disciples to prepare them for their calling.

These five churches are the volunteer base for a daily feeding program that feeds 500-700 children who attend school on top of a landfill. They also share with them the “Bread of Life” through Bible studies. They are feeding and housing 48 children in their Casa de Esperanza (House of Hope) orphanages. There are five medical clinics at which they see 25 –30 patients a day in each clinic.

In their downtown medical facility, they perform surgery twice a week for people who cannot afford to pay for necessary surgeries. They take in homeless mothers, provide them shelter and give them employment in the orphanage so that they can care for their family.

If the only thing that we have done together is to establish this one Bible School in this outstanding ministry, would it have been worth the sacrifice? I say yes!

Thank you for making this possible through your prayers and gifts.

Together We Touch the World!
