LSMI took the opportunity to reach out to the Moms in Mezcales that bring their kids to our new children's program. We all know...a mother's work is never done. It is a tiresome, never ending task of giving care 24/7. In Mexico, Mother's day celebrations are like Christmas parties in the States. There seems to be no end to them. Everyone in some way expresses their love for their mothers in dinners, sermons, banquets, parties, etc.

Mothers from the city dump arrived, huddled together in the back of a Ford pick up truck to join in the celebration. It was all good... authentic Mexican food, music, prizes from the dollar store and a message from God's word to these dear women. We even provided child care during the message. I got to tell Bible stories to the 7-12 year olds! Irma, a local native was our guest speaker and she delivered a compelling message of "Hope for abused women".

She told of the struggles of an abandoned mother who did the best she could for her son even in the worst of circumstances and how a merciful God intervened on their behalf (Genesis 21:17). There was not a dry eye in the place and two moms accepted Christ as their personal Savior! Pray for this new children's outreach in Mezcales. Currently we are meeting every other Tuesday as funding permits. We need prayer and provision to expand this new ministry.

Millions of Christians around the world participated in prayer on Pentecost Sunday, May 11th. Carol and I joined with approximately 30 Mexican churches and ministers from the Puerto Vallarta area in the Global Day of Prayer. We had the honor of leading one of the fifteen blocks of prayer at the Agustin Flores Baseball Park. We are grateful to you who make it possible for us to minister in the place we are called.

Together We are Life Savers,
