Dear Friends,

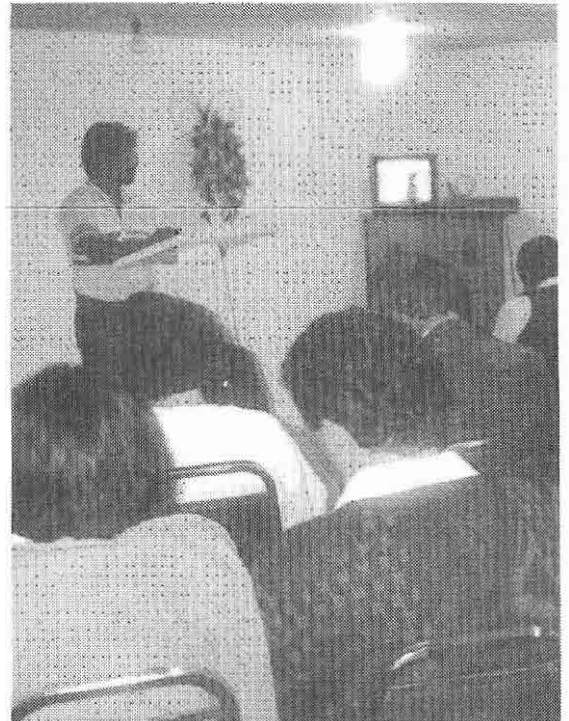

Pardon me if this sounds gross but, on a Monday night, I was sick with a bad case of the flu, fever, and vomiting. I wanted to go to bed and rest, but I was scheduled to preach in Ocotlan, one and a half hours away. My wife grabbed the phone to try to cancel, but the pastor did not have a phone.

I drove all the way trying to hold back that which wanted to be turned loose. When I finally arrived, my stomach, which was beaten by thousands of potholes, gave way once again and I left my mark on the door of my van and the town of Ocotlan. I staggered to the Video Bible class with Milton and Aurita Sondeno trailing behind. The pastor called me forward to impart a word to the students about the founding and vision of the Video Institute of the Americas.

I got up and asked if they would pray for me. I wanted to apologize for being sick and get back in my truck and go home. Instead, as I began to share, I felt the gentle unction to continue. I felt even more of the Spirit's presence as I shared the word. The pastor asked me if I would pray for each of the students individually, and God lavishly poured out His presence and filled that place. God gave me tremendous strength, and I prophesied and ministered. It was one of those very special moments of a visitation from God. When we are weak, He is strong.

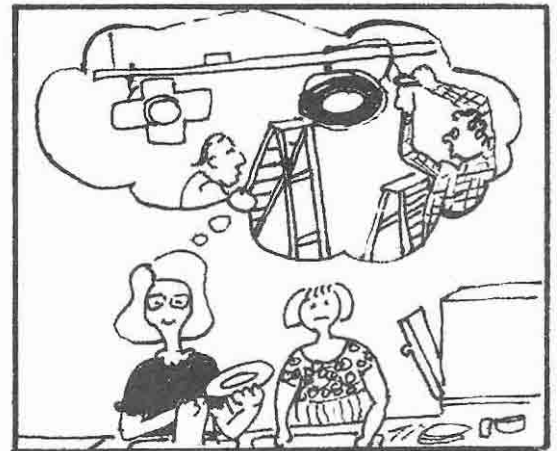

#### HELP FROM THE WEST COAST

Milton and Aurita Sondeno are a God send, providing us with the technical experience and practical help that the Institute needs. Milton has built audio and video studios worldwide in the Lord's service.

#### SHORT STUFF

TELL ME SOME OF THE HIGH-LIGHTS FROM YOUR MISSION TRIP.

Lee & Carol Short 

Aurita's nephew, Frank Dallas and his wife, Bea from Washington State, also flew down for one week of the Sondeno's three week stay. During Frank's time here, Milton and he installed the grid light system for the studio. We are so appreciative for all their help. I have a feeling that you will be hearing about their acts of service for many years to come. Thanks, you guys.

#### LOOKING FOR GOD'S WOMAN

Once again, we need to find a Godly Christian woman who can raise her support and work in this ministry teaching our children. Carol needs to be freed up to do the office work. The lady who was scheduled to come was asked to direct the Christian school another year.

#### PRAYER REQUESTS

1. Pray for God's revealed will to be actualized in our lives and ministry.
2. Pray for the 300+ students throughout Mexico that are being trained through the Video Institute.
3. Pray for the equipment, finances, and personnel needs of the ministry.
4. Pray for the protection of my family and ministry center as I will be away from them for 5 weeks to raise the necessary support for this ministry.

God is doing more than we could have ever imagined possible, and there is more on the horizon. Keep up your prayers, let's keep pressing on together.

Love you,

*Lue, Carol*
