Dear Friends and Partners,

Last month I had the joyful experience of sharing Jesus with many individuals in Mexico. One young man by the name of Gabriel Duran from Veracruz prayed with me to receive the Saviour. I shared with him for about 6 hours. Gabriel has been searching to know God and he spends several hours a day reading materials published by a popular cult. I commended him for his dedication, devotion and morality, but I also challenged him that these good qualities in his life were not enough to "make heaven". I compelled him to accept Jesus Christ the God/Man as his Lord and to renounce the angel/god. He asked me for one of my Bibles so that he could learn the truth! Pray for Gabriel to grow in the faith.

Another spontaneous opportunity developed at the barbershop in Chapala. I saw a Bible on the countertop and asked the barber if he was studying the Bible. He replied yes and I told him that I do also. I began to share the scripture with him about Christ's mission and His second coming. I knew that others were listening when I made the statement that I wanted to show him the most important truth in the Bible. His little boy, listening in from next door, ran over to see what this important truth was. I shared with them how to be saved.

That same evening, I invited Adolfo and Carmela, a Mexican/Canadian couple to eat pizza. Several months earlier, I prayed with Adolfo to receive Christ during a personal crisis. That evening, in a Mexican pizza parlor, Carmela prayed with me to ask Jesus into her heart. Please pray for this dear couple to grow in Christ.

SETTLING IN

Our new headquarters in Houston is taking shape. Please pray that we will cultivate friendships and relationships to serve with us to accomplish this mission. We want to thank my parents, Mark and Diane Brocato for helping us to set up the office. Mr. and Mrs. Short were here for a short visit in January and Mark and Diane came for their vacation and worked here in Houston.

PLEASE PRAY

1. Pray that God gives us continued wisdom and divine guidance as we lay foundations here in the U.S. for the organization that will be Vida International.
2. Pray for Dennis Krouse and his family as they work with us in our team lending necessary technical support for this ministry.

Without your continued prayers and support we could not do the work that we do. We appreciate your sacrifice and love.

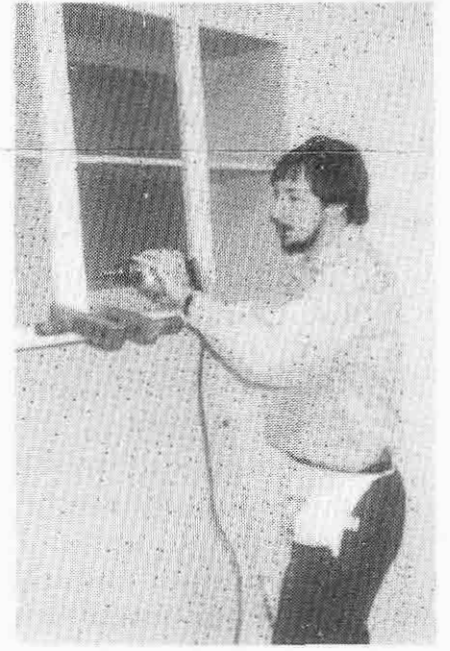

In His Service,

*Lee, Carol, Josh,
