

Baptist, Pentecostal & Methodist Bible Students.

A Church located in a coastal city on the southeastern end of the Island is making disciples to send out and plant new churches. They have a kingdom vision and have enrolled students from two other denominations. Baptist and Pentecostal study alongside the Methodist. Persecution has drawn them together. Because of you who support this work, their Video Bible School is impacting lives in Cuba.

**Jesus Christ, the same yesterday, today
and forever...**

In recent years, the Cuban government and cult leaders practicing Caribbean Black Magic, physically attacked a Cuban evangelist during an evangelistic campaign where many of the townspeople were healed. Thousands swelled into the streets. The anointing over this revival was so powerful that they ministered Jesus' healing mandate at the local hospital and many of the patients were healed and released. This made the communist officials mad because they said the government provides good hospitals and doctors and they don't need Jesus Christ to heal anyone. The witch doctors were also enraged as many of their followers were being converted. The pursuers of the Cuban evangelist were armed with machetes and guns. They stormed the church. The man of God ran out the back door and was hidden in the trunk of a car, driven out of town, narrowly escaping death.
