The first pastors in Peru to begin training their Bible students with our materials

**Lima, Peru;** Terrorism, civil war and the blood of Christian martyrs has fanned the flames of revival in Peru. The government has accounted for 28,000 Peruvians who were tortured and murdered at the hands of communist guerrillas. Many believe the actual number of innocent victims is much closer to 40,000 which includes those whose bodies have not been found. From 1988 to 1993, the Shining Path and the Tupac Amaru massacred villages and tribes, many of whom were Christians, that refused to join the communist movements.

*All authority...has been given to me.  
Therefore go and make disciples...*

During the years when the persecution was most intense a typical small church of 30 to 40 people grew to congregations of 500 to 600! the best news of all is that even now during the last four years of relative peace and prosperity, the revival continues! This is a very strategic time in the history of the church in Peru; and I feel that our ministry of making disciples by providing video Bible training is of the utmost importance at such a time as this. It is the heart of God, that we make disciples.

Lee speaking to the pastoral leadership of Lima about discipleship.

Lee ministering in the largest church in Peru. Every Sunday morning, this church holds five services!

Thank You for making this possible.

I dream of literally thousands of disciples in whose spiritual development we will someday share. They will become Pastors, evangelists, teachers, apostles and prophets.

In His Service,

*Lee & Carol*
