I could not believe it... My last day in Chile, and I could'nt find my passport! I looked everywhere, in every pocket and zipper imaginable. I retraced my steps as much as possible, and found no passport. I would miss my flight and I would not make all the connections planned along the way. Finally, I went to the police station and filed a report, I then called my wife and broke the news, I'd lost my passport and I couldn't leave Chile without it.

It can take weeks to replace a lost passport, with the victim cooling their heels in a foreign country. I faxed her my driver's license, voter's registration card, & social security card. Without hesitation, she contacted the office of Texas Senator Kay Bailey Hutchison, and faxed my personal data along with a copy of an expired passport. I traveled to the American Embassy in Santiago, Chile to plead my case. In the meantime, the Senator's office contacted the State Department in Washington D.C. to speed up my security clearance.

Would you believe that in one day, I had a new U.S. Passport! The Chilean pastor said to me, "Your wife moves the heavens and the earth."

I whole heartily agreed with him. With passport in hand, I was off to Lima, Peru to minister in the Bible School of Pastor Herbert Jimenez, our South American Director.

I want to publicly thank God for the help from Kay Bailey Hutchison's office, the American Embassy in Chile, my precious help mate, and all of you who pray & support this ministry.

In His Service,
